**Please give details of organisations in the Parish, to which you and members of your family belong; also any other activities in which you are involved in and other activities in the life of the Catholic Church or Catholic Education in which you participate or in which you have been involved in the past. If you are both Catholics signs of commitment from both of you would be helpful.**

**Also, if your child was baptised more than three months after birth, it would be helpful if you could explain the reasons for this, as you will need to do this on your application to the school and I will try to support you.**
