Landings

- Welcomes anyone considering a return to a more active practice of their faith
- We share each other's faith experiences and explore some of the Church's teaching and tradition
- It is an opportunity to discuss recent changes in the Church
- It is a safe environment to talk with those who are not blind to the hurt the Church may have caused

Landings is not a crusade to save sinners nor a group of theologians, nor is it a place where all answers are to be found.

And is NOT a group of narrow minded Catholics ready to criticize.

A group of 6 - 8 people come together
once a week for about 8 weeks.

Meetings last not more than 2 hours
and follow a pattern of a short prayer to begin
and end, a look at aspects of the Church's
teaching and tradition,
together with some contemporary
themes and a sharing of individual's
spiritual journeys through life, with
a cup of tea or coffee along the way.
