WELCOME TO FR ANDREW BISHOP

I am looking forward to serving you in Beckenham as my first placement as a priest.

I was ordained just a few weeks ago on 23 February at the grand old age of 64, after studying at the Beda seminary in Rome for four years. Before that I was Pastoral Assistant in Dover, which has been my UK base while at seminary, and I have been for some time.

I am originally from Nuneaton in Warwickshire and was for many years (1981 to 2018) a secondary school teacher of French and Spanish, most recently in south east London and Dartford where I lived and was part of St Stephen's parish in Welling.

Please pray for me as I start this ministry.

Whilst we offer a warm welcome to Fr Andrew, we also have to say a fond farewell to Fr Damian who leaves us on Monday to start his new posting at St Bartholemew's Church in Norbury.

Fr Damian initially came to us for one month only but we were so pleased when his stay was extended and he was able to celebrate the Easter Triduum with us.

Fr Steve

RCIA - NEW CATHOLICS

Please pray for Alda, Ruth, Philip, Jake, Tony and Glauca, who were all received into the Catholic Church at Easter. Thank you to all those who supported them at the Easter Vigil and the celebration afterwards in the Church hall.

A really big thank you to those who provided and organised the food and drinks and worked late into the night to clear everything away. We all very much appreciate your kindness in helping to make this a very special occasion.

Fr Steve

"I ask each and all of you, that as part of the current of grace of Charismatic Renewal you organise seminars of Life in the Spirit in your parishes and seminaries, schools, in neighbourhoods, to share Baptism in the Spirit".

Pope Francis.

Pope Francis has called for Life in the Spirit Seminars in all parishes. Seminars are being run throughout the Archdiocese with the support and encouragement of Archbishop John Wilson and St Edmunds is the hub in this area.

Life in the Spirit Seminars at St Edmund's begin on Wednesday 24 April at 8.00 pm in the Hall. The seminars are preceded by Mass at 7.30 pm in the church to which all are invited.

For more information or to register please go to bit.ly/LISS2024 or email

norwoodsouthple@rcaos.org.uk

Pick up a printed flyer for more information or there are registration forms at the back of the church to complete and drop into the parish office in an envelope marked *Life in the Spirit*

There is still time to register for this group. Please call the Office and we will arrange for you to be contacted.

BEREAVEMENT SUPPORT GROUP

Are you experiencing a bereavement?

St Edmunds is running a Bereavement Support Group starting next week.

The group will be held in the Meeting Room of St Edmund's Hall (step free), on Thursday evenings, from 6.00 pm - 7.30 pm, April 18 – May 23.

If you are interested please ring the office on 020 8650 0970 and they will connect you with the group.

Priest Training Fund Second Collection
21st April

******Next weekend******

The priesthood has always been essential to the life of the Church, from the time of Jesus until today. Good Shepherd Sunday is the day we pray for vocations, for our priests, and the day we take up the Priest Training Fund second collection.

This fund pays for the formation of men to become priests in our Archdiocese. After their ordination our priests dedicate their lives to serving Christ and His people in our parishes, hospitals, schools, chaplaincies, prisons and in service to the needy, throughout South London, Kent and Surrey.

We are blessed to have 5 men in formation to the Priesthood for our Archdiocese. However, it costs £30,000 a year to sponsor each seminarian. They study for 6 years before being ordained a Catholic priest.

We therefore rely on your generous support and prayers. Please support our priests of the future with a gift today.

Thank you!

HALL CUPBOARD

The contents of the wooden cupboard in the Hall kitchen are for the shared use of any of the church groups using the Hall so that no one group needs to keep their own refreshments supplies.

The cupboard is currently being used as a dumping ground for items left behind, not wanted or half used.

Groups have until the end of April to remove items that shouldn't be in there, after which we will dispose of anything that remains, in order that we can clean and reorganise the cupboard so it can be safely used by all our groups.

John Woodhouse, a parishioner of St Edmund's, and also the leader of the Westminster Interfaith Group, is running an interesting and different day out to which all are invited.

A Day in Cambridge: An Interreligious Tour is on Wednesday 24 April.

It begins with a tour of the Woolf Institute, an organisation at the forefront of Christian, Jewish and Muslim dialogue. From there you will go to the Cambridge Central Mosque (the *Eco-Mosque*). The mosque has been inspired by Islamic and English religious architectural traditions and is underpinned by sustainable, ecological values. The day will finish with Evensong at King's College Chapel.

There is no charge for the day, but you are asked to make your own travel arrangements.

Confirmation of attendance should be sent to John Woodhouse at

woodhousesopten@btinternet.com

THE JOSEPH EVENT

Held after the Family Mass last Sunday, *The Joseph Event* had a great turnout and an amazing buzz! Thank you all for joining in so enthusiastically.

The raffle results are below and the prizes can be collected after Family Mass this Sunday.

Alasdair (AJ) Oakley won the olive wood tortoise.

Eddie Mitchell won a copy of each of Tammy Fernando's books.

Liam Fernandes won the painting of The Resurrection.

The next book title will be revealed after Tammy's visit to a neighbouring parish in May.

Please see Tammy next Sunday in the Hall after the Family Mass.

MASS INTENTIONS

We have many parishioners who regularly remember their friends and family at our Masses but there are many parishioners who may never have requested a Mass intention and are unsure of how to go about it.

It is very straightforward. The Office needs to know the name of the person you wish to be prayed for - just their name will do - or you can give a brief reason why prayers are being requested. You can request a week-day Mass or a Sunday Mass, but it helps if you are not date and time specific, unless the date is important (anniversary or birthday) in which case it is necessary to contact the Office well in advance.

A Mass offering (stipend) is always offered when a Mass is requested. The diocese suggest a minimum of £10.00.

Requests can be made to the Office, by email, or by a note through the letter box, and payment can be made by ChurchSuite or cheque or cash.

We will take requests at the door but prefer to receive them in writing, particularly if you are submitting a list of requests.

PILGRIMAGE TO ITALY 22 September to 1 October

Pilgrimage to Rome, Loreto, Assisi and San Giovanni Rotondo organised by Diane Brelu for Fr Mark's Our Lady of Assumption Parish.

THE BELOVED SON Saturday 27 April

BIBLE IN A YEAR

Hello to those of you who are following Fr Mike Schmitz's inspiring Bible in a Year podcast. I am proposing to host an informal meeting (with coffee and cake), for us to meet together, to share our experience and encourage one another to keep pressing play! It doesn't matter if you are up to date, a bit behind (like me) or still thinking about starting!

Please email anniewilliamson@gmail.com (or leave a note with the parish office marked BIY Annie) if you would be interested in meeting so that I have an idea of numbers - we can do daytime or evening, so please indicate what would work for you. I can then decide when and where would be most suitable.

Alleluia, Alleluia!***EXULT**

“O truly blessed night, when things of heaven are wed to those of earth, and divine to the human.”

So says the Easter Proclamation, or Exsultet, which is chanted at the beginning of the Easter Vigil, in the darkened church. I have spent a lot of time with this magnificent prayer in recent weeks and I have found its riches to be truly inexhaustible. No other prayer tells the entire salvation history of the Church whilst expressing how the New and Old Testament form one seamless whole. At the heart of Easter, the greatest celebration in the Christian calendar, is the mystery of this union of heaven and earth. Easter is truly a marriage, Christ is joined to his Church and we, the people, are cleaved to God. Cleave has two contradictory meanings, to join and to separate. The sin of Adam separated us from God; but the sacrifice of Christ joins us to God, divine and human are brought together as they were in the body of Christ. Throughout the Passion we see glimpses of Christ’s human frailty, as the burden of His impending suffering seems too great to bear. And yet, He endures so as to win our salvation. Christ is fully human and fully God and in this marriage of His two natures heaven and earth are brought together.

In the Easter Vigil this marriage is most powerfully symbolised by the reception of new Catholics into our community. The ‘Rite of Christian Initiation of Adults’ (RCIA) reaches a climax at Easter, as around the world those who have heard and responded to God’s call embrace their new life in Christ. In Beckenham we welcome our 3 catechumens and 3 candidates as they embrace the divine in their lives on this truly blessed night. It is a moment for us all to reflect on the incredible gift with which we have been blessed, the divine spark within each of us is rekindled by the light of Christ.

If Easter represents the marriage between Christ and His church what does that mean for each of us? Marriage is built on the found-

ations of commitment, fidelity, honesty and communication. Our relationship with Christ calls us to to commit to him exclusively and wholeheartedly, to be honest, especially when addressing our failings, and to speak and listen to Him, through prayer. So, this Easter let us seize the opportunity to strengthen our commitment to Christ, to build a loving relationship with Him, so that we can renew the face of the earth.

With Easter Blessings,
Deacon Ray

Risen Jesus, who on the first Easter Day stood among your disciples and said, “Peace be with you”, be present with us in your risen power. Fill us with hope and joy and pour your Spirit into our hearts that we may proclaim your Easter Gospel today and always for we are your Easter People and Alleluia is our song!

[From Generous Love by Arthur Howells]

On behalf of Fr John, Fr Damian, Deacon Sean, Deacon Ray and myself, I would like to wish you all a wonderful Easter. Thank you to all the people who have worked tirelessly to prepare for the Triduum.

God bless, Fr Steve

MAUNDY THURSDAY COLLECTION

Mary's Meals

Mary's Meals serves nutritious school meals to children living in some of the world's poorest countries. The promise of a good meal attracts these hungry children into the classroom, giving them the energy to learn and hope for a better future.

By providing a daily meal at school, Mary's Meals creates a fundamental change in the lives of children who don't have enough to eat and provides hope for today and tomorrow. This hope feels even more important when these children are growing up in war zones and places of conflict, as many in these programme countries are.

Mary's Meals can provide a meal for just 10p (thanks to the work of many thousands of volunteer cooks and their experience in sourcing locally procured food in bulk), meaning that a child can be fed for a whole school year for £19.15.

Fr Steve has asked that Mary's Meals is our charity for Maundy Thursday.

MY DAY BY DAY FOR EASTER

Once again we have copies of these little booklets to help you navigate your way through the days after Easter. There are versions for infants, juniors and adults. A donation of at least £1 is requested which can be placed in the wall box in the porch marked papers

A happy Easter from Rosemary and Barbara in the Parish Office, Von in the Presbytery and Johnny who is everywhere else.

The Office will be closed on Easter Monday but will also be shut on Tuesday.

This newsletter is a double issue covering two weekends.

Please collect your Gift Aid envelopes from the porch

SECOND COLLECTIONS

Did you know you can donate to the second collection by card at the back of the church?

We recently installed a second card donation device at the back of the church just for second collections, so you don't have to remember to bring cash with you.

We are aware that the devices sometimes freeze - the software has been updated recently, which should improve things, but you can also try lifting the lid and pressing the small power button on the right side of the device to reset them.

Tammy's first book, A Prayer from the Heart is on sale in the Repository and her second, Lost Until the Light Comes, is just about to be published.

I've had many great experiences since starting formation, especially in my first year of studies in Spain at The English College in Valladolid. I'm looking forward to spending Holy Week with you all.

Please come and join us for a special Stations of the Cross for children at 9.30 am on Good Friday

Second collection and food donations for Living Well

In the late autumn I had to make the difficult decision to reduce the Masses celebrated at St Edmund's Church.

At that point I had just injured my leg and was told I would be unable to stand to celebrate Mass for several months. I was also finally given permission to announce that Fr Ashley had been asked to move to West Wickham to minister there and would leave us in two weeks. This announcement had been embargoed by the diocese until that date.

This left our church with one functioning priest, Fr John, who has celebrated many extra Masses over the last few months for which I thank him.

With only a fortnight before Fr Ashley left us I had no time to meet with parishioners to discuss plans, but had to implement changes immediately.

It was a heart breaking decision to cancel the 8.00 am Sunday Mass and also the 9.30 am Family Mass in the Hall which over just two years had built up a faithful and committed congregation of about 140 each week.

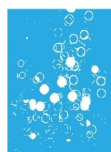

Even as the newsletter with the announcement of my decisions was being sent out to 1500 parishioners by email, I was offered Fr Damian's services for one month. This was later extended to three months. I am so grateful to him for all he has given us in his time here.

The wonderful news is that after Easter we will be back to full strength with a permanent third priest joining our team. (More about him in a few weeks.)

Knowing this I have decided that from Easter morning we will re-instate the 8.00 am Sunday Mass.

Thank you all for your understanding and your patience during this time. I look forward to seeing many of you at 8.00 am on Easter morning!

Fr Steve

STATIONS OF THE CROSS

Fr Steve will be leading Stations of the Cross immediately after the 10.00 am Mass on **Wednesday 13 March**. He is doing this to offer an opportunity for those who do not wish to come out in the evening to attend this beautiful and moving service.

WORLD DAY OF PRAYER 2024

Every year on the 1st Friday of March the whole world is united in a prayer service prepared by the women of a particular country. In Beckenham, this service takes place in a different Christian church each year; this year the liturgy had been prepared (months before October 2023) by the women of Palestine and it was celebrated at St Edmund's Church last Friday; the theme was "I beg you, bear with one another in love". We were delighted to welcome many members of other local churches as well as many of our own parishioners, who joined together in a thoughtful and prayerful reflection on life in Palestine.

Thank you to all who came together for the service, despite the cold, wet weather. Special thanks are due to the wonderful musicians and choir and also to those who prepared and served very welcome refreshments after the service. It was heart-warming to experience the sense of community, both during the service and in the Hall afterwards.

Please continue to pray for all those affected by conflict in this troubled region of our world.

In 2025, the World Day of Prayer will focus on the Cook Islands and the service will be hosted by Beckenham Baptist Church on Friday 7 March. All will be welcome.

TELEPHONE MESSAGES

This week we have had three messages left for us where we couldn't make out the telephone number to respond to. Please leave your details slowly and clearly so we can return your call.

MASS BOOKINGS

Parishioners are advised that, regrettably, Mass intentions received at short notice cannot always be accommodated on the dates requested. This is because the calendar becomes booked up very quickly. We are currently fully booked until well into May. To avoid any confusion and disappointment we recommend that your name and number are clearly written on your Mass intention request. We will then be able to call you to advise if your requested date is unavailable, and do our best to book in your Mass intention as close as possible to the date requested.

BEREAVEMENT SUPPORT GROUP

Are you experiencing a bereavement?

St Edmunds is running a Bereavement Support Group soon. The group will be held in the Meeting Room of St Edmunds Hall (step free), on Thursday evenings, from 6.00 pm - 7.30 pm, from April 18 – May 23.

As a first step, if you are interested and would like to know more, please ring the office on 020 8650 0970 when you can learn more about the group.

**DEACON SEAN'S CHARITY
THANK YOU FROM GHANA**

On behalf of my people in Nankesido and the trustees of our charity, the Nankesido Education and Welfare Trust (NEWT), I would like to thank parishioners for their generous support for my appeal at Masses last weekend. The appeal raised over two and a half thousand pounds and, as money goes a long way in Ghana, this will make a real difference to the lives of people in my village.

If you would like to see what we have done with your help over the years, **please visit our website** at newt.org.uk where you can also find guidance on how to help us in future.

Forthcoming fund-raising events include a **golf tournament** (all levels of ability welcome) at Farleigh Golf Club on **Friday 12 April** (details on website and on flyers in the church), while **Fr Stephen will be selecting his Desert Island Discs** for us in the Hall on **Saturday 13 April** (details soon in the newsletter). If you missed last week's collection but would like to donate, there are envelopes and flyers in the church.

With thanks again, Deacon Seán

HOME VISITS TO THE SICK & THE HOUSEBOUND

When the country went into lockdown we had to stop visiting sick people in their homes. Even when the restrictions were lifted, many sick and frail people remained understandably reluctant to ask us to start visiting them again. But there is another problem. After the lockdown, many parishioners who had been visiting people *before* Covid, became reluctant to resume visiting again, because they did not want to risk inadvertently bringing sickness into people's homes. As a result our number of willing visitors dwindled.

Our appeal to the sick and housebound

Receiving Holy Communion should be the norm for all Catholics: it is the most perfect way in which Christ can enter into our lives. So if you are housebound and would like somebody to bring you Holy Communion, please get in touch – we will observe whatever safety measures you may ask of us. And, so that you know, we will not allow anybody to visit you unless they have been recently vetted by the archdiocese. And please, if you know somebody who could benefit from visits but who does not see this newsletter, could you please approach them for us?

Our appeal to Extraordinary Ministers of Holy Communion

Happily, we now have a few more volunteers to bring Holy Communion to the sick, while several members of the SVP are able to offer social visits as well as Holy Communion. But if we are to live up to Jesus' command to visit the sick, we still need more volunteers to help with this work. Lay ministers are not intended only to help in church: they are also commissioned to bring the Sacrament to the sick in their homes. Work, family commitments and personal health issues may not always make this possible, but if you are a lay minister, please consider this request and get in touch with us to offer your services.

RCIA

RITE OF ELECTION AND SCRUTINIES

On Saturday 17 February Cathy and I accompanied our catechumens and candidates to the Rite of Election at St George's Cathedral, which was led by Archbishop John Wilson. This year there were 450 enquirers at the service together with their sponsors/godparents. This is the largest number for a decade, and we were also told that Mass attendance has increased throughout the Diocese. It was encouraging for us all to attend a service that was both uplifting and optimistic and you will see photos of this occasion in the Narthex.

We continue with the three Lenten Scrutinies which are a period of deep reflection for our enquirers, who will also be presented with The Creed and the Lords Prayer. Our first Scrutiny is at 11.00 am Mass on Sunday 3 March, the second at 6.00 pm Mass on Saturday 9 March, and the third at 5.30 pm Mass on Sunday 17 March. Please pray for Alda, Ruth, Philip, Glauca, Tony and Jake as they prepare to be baptised and confirmed into the Catholic Church at Easter.

BEREAVEMENT SUPPORT GROUP

St Edmunds Parish is planning another series of support groups for anyone who is experiencing a bereavement. Each group will run for just six weeks, and the first of these this year, will be starting in April, others will follow, based on demand. Each meeting will be held in the small meeting room in St Edmunds Hall (step free), and the first set of six meetings will be held on Thursday evenings from 6.00 pm - 7.30 pm, from April 18th - May 23rd. As a first step, if you are interested and would like to know more, please ring the office on 020 8650 0970 when you can learn more about the group.

CARITAS SOUTHWARK 1ST ANNIVERSARY MASS

Please browse and buy.

Some will recall that the late Ann Elmer's granddaughter, Beth, suffered from a little-understood and life-limiting disease that kills those afflicted by thirty. Beth's lifespan was half that and she died a fortnight ago. Never having walked, may she now dance in Heaven. Please pray for the Selwood family.

MISSIO BOXES

If you have a red box at home would you please bring it to the Office for its half yearly emptying.

It will be returned to the narthex for you to collect.

DEACON DENNIS & MARY BARRATT

Parishioners who remember Deacon Dennis Barratt and Mary his wife, will be sad to hear that both of them have died recently, within a few weeks of each other. Deacon Dennis was the first Permanent Deacon in this parish and he served here for many years as well as working in the Diocesan Chancery Office. After he retired, about fifteen years ago, he and Mary moved to Stratford-Upon-Avon in Warwickshire to be nearer to some of their family. Their son, Fr Anthony Barrett celebrated Mary's funeral earlier this week. We will inform you of Deacon Dennis's funeral arrangements in due course. May Mary and Deacon Dennis rest in peace.

Please keep their family in your prayers.

DEACON SEÁN'S GHANA CHARITY APPEAL

This weekend Deacon Seán will be making an emergency appeal at all Sunday Masses on behalf of his charity, the Nankesido Education and Welfare Trust (NEWT).

Thanks to a parishioner, Steve Hewitt, NEWT now has a beautiful website, at newt.org.uk where you will find information and pictures about what NEWT has achieved with your help over the years.

Nearly all of NEWT's income has come - directly or indirectly - through parishioners and their networks: sometimes through one-off donations and standing orders; sometimes through support for NEWT's fund-raising events; or sometimes through connections with schools, clubs, workplaces or other charities. One other important source of funding has been money people have left to NEWT in their wills: if it hadn't been for such bequests, NEWT'S work would have had to stop during the lockdown when fundraising activity came to a standstill.

As Deacon Seán will be telling us, the charity's reserves were almost completely wiped out when it came to the rescue after one of the main blocks at the local school was seriously damaged by storms, and he will be appealing for your help once more.

As well as this weekend's collection at Mass, you can donate via our website's Donations page, and in the coming weeks you can support some of NEWT's fundraising activities.

There will be an open golf tournament at Farleigh Golf Club on 12th April (details below or on the website). On 13th April in the Hall Fr Stephen will share with us his Desert Island Discs and we will celebrate with fish and chips and a bar. A few weeks later NEWT will be holding a Race Night, and in the summer there will be a garden concert

NEWT has made a huge amount of difference to many, many lives, whether through major school building projects, or through help for individuals - such as paying school fees, helping the disabled widow whose house NEWT repaired after part of it was swept away by floods; funding life-changing operations, and helping people like Joyce - Deacon Seán will be speaking about her - when NEWT plucked her from selling foodstuff at the roadside to put her through university. And there are lots more stories like that. Please, if you can, **do** help NEWT to continue to change lives.

CAFOD Lent Fast Day was **two days ago**, when we were encouraged to eat very simply in solidarity with our

sisters and brothers throughout the world. There were Cafod speakers at all our Masses who explained how your gifts could be used.

Have you brought your Cafod envelope back to church with you? If you are a UK taxpayer, using an envelope so your donation can be gift aided increases its value to Cafod by 25% at no extra cost to you.

More details about Cafod's Lent appeal can be found at cafod.org.uk and on the Cafod notice-board in the church porch.

World
Day of
Prayer

2024

The World Day of Prayer is an international ecumenical Christian laywomen's event. It is run under the motto "*Informed prayer and prayerful action*" and is celebrated annually in over 170 countries on the first Friday in March.

Our service for this year's World Day of Prayer will take place at St Edmund's at 3.30 pm on Friday 1st March.

The service this year has been prepared (many months before 7 October 2023) by the women of Palestine.

Please put the date in your diary and come along. As we are the hosts, it would be lovely to have a good representation from St Edmund's parishioners.

REFRESHMENTS AFTER 9.30 MASS

The refreshments after today's Family Mass are organised by our CWL (Catholic Women's League), and this Sunday they will also be having a table sale. Please cross over the road to the Hall and browse the tables whilst having a coffee and biscuit and meeting your friends.

Any money raised will benefit the charities supported by the CWL.

READERS FOR HOLY WEEK SERVICES

If you will be attending any of the major services of Holy Week and would like to do one of the readings, please email Deacon Sean at seanmurphy@rcaos.org.uk straight way.

He would like to have the readers organised in the next week.

PALM CROSSES

If you have a number of palm crosses in your home you are welcome to return them to church and place them in the basket on the table by the central aisle.

We will burn these to use for our ashes next year.

Thank you to those of you who have already returned your old palm crosses.

MASS IN CELEBRATION OF THE SACRAMENT OF MARRIAGE

July 13 at St George's Cathedral

If you are celebrating your 1st/10th/25th/40th/50th/60th + wedding anniversary this year, please let us know as soon as possible **and no later than May 31**, providing the following details: your names in the format John and Mary Smith, your home address, and the anniversary you are celebrating, so you can receive an invitation from the Archbishop for the renewal of vows during Mass. Spaces are limited.

Email us at mflse@rcaos.org.uk and please put Beckenham in the subject line of your email.

LIGHT OF CHRIST PRAYER MEETING

There will be no meeting this Wednesday. Instead we recommend the parish mission at St Chad, South Norwood led by Sr. Briege McKenna OSC and Father Pablo Escriva De Romani.

All details can be found on the St Chad, South Norwood website.

THE BLESSING OF EASTER FOODS

In many Eastern European countries, it is a tradition to have a basket of food blessed at a church service on Holy Saturday. This Catholic ritual has been cherished for centuries and it has now been adopted by people from many backgrounds who enjoy this richly symbolic custom.

We have embraced this custom at St Edmund's for a number of years and will be celebrating it once more at 10.00 am on Holy Saturday.

We need a small team of parishioners to assist in the preparation of this service and it would be lovely to have parents from our Family Mass group to assist. If you could offer a little time please contact Deacon Sean at seanmurphy@rcaos.org.uk

LENTEN RECONCILIATION SERVICE

St Mark's, West Wickham

CLERGY SUPPORT FUND SECOND COLLECTION

The clergy in our Archdiocese have given us so much. They have been there for us in our happiest moments and comforted us when we have lost loved ones. Supporting priests in their retirement is one way to show your appreciation for all they have done for parishes.

You make supporting our clergy in retirement possible. Find out how to donate to the Clergy Support Fund at www.rcaos.org.uk/donate/CSF or scan the QR code below.

You can also donate by phone at 020 7960 2504 or by using the Clergy Support Fund envelopes available at the back of Church.

Please continue to keep our Priests in your prayers.

THE BLESSING OF EASTER FOODS

In many Eastern European countries, it is a tradition to have a basket of food blessed at a church service on Holy Saturday. This Catholic ritual has been cherished for centuries and it has now been adopted by people from many backgrounds who enjoy this richly symbolic custom.

We have embraced this custom at St Edmund's for a number of years and will be celebrating it once more at 10.00 am on Holy Saturday.

We need a small team of parents to assist in the preparation of this service and it would be lovely to have parents from our Family Mass group to assist. If you could offer a little time please would you contact Deacon Sean at seanmurphy@rcaos.org.uk

Google *Blessings of Easter foods* to learn more about this custom.

**This weekend the Spiritans
will be making an appeal at all
Masses**

Moving into Lent

This Wednesday is Ash Wednesday which marks the beginning of Lent. You may already have given some thought to what you would like to give up. One thing I would encourage you all to do is to look anew at the Gospels and listen to what they are saying, an activity we should be engaged in throughout the year, but especially during this Lenten journey when we recall the 40 days of the great flood that led to the Covenant between God and Noah, the 40 days Moses spent on Mount Sinai at the end of which he received the Tablets of the Law. Most important of all is for us to reflect on the 40 days Jesus endured in the wilderness, after his baptism and before his mission.

I pray that these and other passages of scripture will penetrate our hearts and minds and give us a fresh understanding of the truth, of what it means to love, to make sacrifice, to forgive and persevere in faith. Ultimately, Lent is a wonderful opportunity for us to draw ever closer to our heavenly Father and to Jesus Christ his son, in the power of the Holy Spirit; alongside this it is a time to look upon our brothers and sisters with greater understanding and compassion. If we open our hearts to this, Easter when it comes, will be full of many blessings.

Fr Steve

THE SPIRITANS

We are delighted to welcome Fr Vincent Nnatuanya to all our Masses this weekend. Our diocese has designated the Spiritans as their missionary charity for 2024.

Founded in 1703 the order now has over 3000 professed and lay Spiritans drawn from all continents, who today carry out their mission of evangelization in more than 60 countries.

9.30 FAMILY MASS

Since the Family Mass congregation joined the church congregation last November, we have been happy to share with everyone many of the elements which help the children to participate actively at Mass. In addition, we are looking forward to being able to meet again for tea and coffee after Mass in the hall.

Here are some reminders of how children, families and everyone can contribute to our celebration of Mass:

Children are invited to:

Arrive early and be ready to take one of the special 'jobs' during the Mass: *carrying the cross, taking up the prayer books or candles, taking up the bread and wine and foodbank donations at the offertory.*

Walk in procession to the altar at the beginning of Mass.

Use a coloured Order of Mass card and join in the prayers of the Mass.

Walk to the first step in front of the altar to pray the **Our Father**

Families are invited to:

Arrive early and welcome others to Mass!
Read at Mass with their children. *Ask one of the Family Mass Team about this.*

Everyone is invited to:

Write a prayer intention and add it to our prayer books before Mass. The children bring these to the altar as we begin our Bidding Prayers; they also place a votive candle near the prayer books to represent each Bidding Prayer.

Bring a small donation of food* or some toiletries for the Living Well foodbank. Take these to the altar in the offertory procession or ask one of the children to take your donation up for you.

Come across to the hall for refreshments after Mass - get to know each other better - welcome new parishioners and visitors – let the children have some playtime...

Please note that the Living Well Foodbank can only accept **non-perishable items.*

THANK YOU!

Caroline and I were very moved by last Saturday's lovely Farewell Mass, and touched by the generosity of your many gifts - thank you so much.

I miss you very much and there are many special memories. Beckenham and West Wickham parishes have always been linked (indeed they were a single parish until 1948); as I said on Saturday you may still see me at St Mary's (for which West Wickham is a feeder parish) and in the PRUH.

Many thanks and God bless

Father Ashley

ST EDMUND'S WALKING GROUP

Saturday 3 February

This is the feast of St Blaise and Robert Richards is planning to lead a walk to the St Blaise's Well on Saturday 3 February after 10.00 am Mass. Please join us if you can. The walk will start in Bromley (leaving the Churchill Theatre at 11.30 am) where we will be joined by Father Ashley's parishioners, and will continue walking to the Well at the Civic Centre. As the Civic Centre is moving to Bromley South, this may be our last opportunity to visit the Well.

World Day of Prayer 2024

The World Day of Prayer is an international ecumenical Christian laywomen's initiative. It is run under the motto "Informed Prayer and Prayerful Action," and is celebrated

annually in over 170 countries on the first Friday in March.

Our service for this year's World Day of Prayer will take place at St Edmund's at 3.30pm on Friday 1st March.

The service this year has been prepared (many months before October 7th 2023), by the women of Palestine.

Please put the date in your diary and come along. As we are the hosts, it would be lovely to have a good representation from St Edmund's parishioners.

There will be light refreshments in the Hall after the service. Everyone is most welcome.

Living Well
Bromley

Dear all,

My name is Ray Shergill, and I am thrilled to be a part of the pastoral team for Living Well. Our goal is to share love, and care, and be a listening ear for LW clients, ensuring that they receive the best possible pastoral care.

Our team will also focus on establishing a strong foundation for this ministry that can carry on for many years to come. We have developed a three-phase model for this ministry, which is still a work in progress, and we will provide further details when we meet.

We would like to know if you are interested in volunteering on any of the days when LW is active, which are Tuesday, Friday, and Saturday.

You are not required to volunteer on all three days or every week. It will depend on the number of volunteers we can get.

We would be looking to implement phase 1 as soon as we get a sufficient amount of volunteers to help.

ST PAUL'S LIFE & MINISTRY & THE DEMANDS OF OUR VOCATION

The saints occupy an important place in our journey of discipleship as the example of their lives provides us with inspiration to persevere in our Christian vocation. Each saint has something unique to teach us and as we reflect on their lives we come to a better understanding of the demands of our vocation. This is very true of St Paul whose conversion we celebrate this week. Paul was initially opposed to the gospel and persecuted Christians. But following his dramatic conversion Paul became God's instrument for the propagation of the same gospel he had tried to destroy.

What is clear from Paul's life and ministry is that God can use anyone or anything for his purpose. So long as we yield ourselves completely to him we are sure to be effective in his hands, regardless of what our past has been. What is required is that we be converted from our former ways and resolve to walk in the path of righteousness. Once Paul had been converted he applied all his zeal and resources to the propagation of the Christian gospel. As he says famously in reference to his complete abandonment to divine grace, "because of the supreme advantage of knowing Christ Jesus my Lord, I count everything else as loss. For him I have accepted the loss of all other things and look on them all as filth if only I can gain Christ and be given a place in him." (Phil.3:7-9)

Paul's statement tells us just how much he surrendered himself to Jesus once he had encountered him, so that it is not surprising that he was so effective as an evangelizer since it was Christ that was at work in him in the power of the Holy Spirit from start to finish. It cannot be over-emphasized that if we are to be effective witnesses of Christ in our times we too must encounter him and undergo a conversion experience that will lead us to yield ourselves completely to Christ. The more we surrender our lives to Christ, the more his grace becomes effective in us in bringing others to him. May St Paul obtain for us the grace to turn our lives completely to God and be an instrument of peace and unity in our family and the society at large in this Octave of Christian Unity and beyond!

COME AND THANK FR ASHLEY FOR 27 YEARS

A reminder to you all of the farewell Mass to Fr Ashley on Saturday 20th January. This will be at 6pm followed by a reception in the parish hall. I hope as many of you can attend as possible to show your appreciation to Fr Ashley for his commitment and dedication to this parish over the last 27 years. Please continue to pray for his ministry at St Mark's, West Wickham, and indeed for the parishioners of that parish.

Fr Damian, who has been with us since the beginning of December leaves at the end of this month to a more permanent appointment elsewhere in the Diocese. I am currently looking for a third priest to serve here at St Edmund's but in the meantime we must 'cut our coat according to our cloth' and sadly stick with reduced Masses until we can welcome another priest.

On behalf of my fellow priests, I would like to thank you for your generous Christmas offerings. May God continue to bless you and sustain you throughout 2024.

A TIME TO REFLECT

Happy New Year! January is a time both to look back and to look forward, to reflect on what went well in 2023 and what didn't, and to anticipate the potential of a new year and the good things that it will bring. Many of us make resolutions for the new year; for instance, I have set out to read the Bible in a year - by listening to Fr Mike Schmitz's podcast. This moment is an opportunity to renew our relationship with our Father, to be closer to Him, to offer the best of ourselves to God who is with us. This is a new chapter for our parish as we say thank you and goodbye to Fr Ashley and pray for his ministry in West Wickham. This community is only as strong as you: your commitment makes everything possible. We thank you for the gifts of time, talent and money that you give to St Edmund's. At the same time, we pray that your generosity will increase so that we can all continue to grow together as disciples of Christ.

The clergy team pray that your lives will be truly blessed in this new year and that you will feel the presence of God beside you.

Your gifts this week are for the
priests of our parish.

Happy Christmas from the clergy team at St Edmund's

May I, on behalf of all the clergy team wish the parishioners of St Edmund's a happy and blessed Christmas and a peaceful new year. Thank you to everyone who has had a part in preparing our church and our services for Christmas. I am grateful to you all.

Fr Steve

This newsletter covers the next two weeks. Any contributions for the issue of the 7 January should be with the Parish Office by noon on Wednesday 3rd.

The Office will be closed between Christmas and the New Year and re-open on 2 January.

A very happy Christmas to all from Rosemary and Barbara.

CHRISTMAS OFFERINGS TO OUR PRIESTS

The offerings from all Christmas Masses are your personal gift to our priests and are separate from any standing orders or regular giving you may have already set up. Gift Aid can be claimed on these Christmas offerings but is retained by the parish itself (the priests do not benefit from this element). As the Christmas collection is always so generous we urge our Gift Aid donors to ensure their offering is given in an envelope showing their Gift Aid number or their name and address.

Christmas Offerings can also be made online through our donatelink on the website:

<https://stedmunds.churchsuite.com/donate>

Please check that 'Christmas Offering for Priests' is selected from the dropdown menu and continue by following the on-screen prompts.

READERS AND EUCHARISTIC MINISTERS

Let us join together after 10.00 am Mass on Saturday 30 December for Adoration and prayer in thanksgiving for our ministry this year.

LAW SURGERY Monday 8 January

The next Law Surgery will be in the Presbytery from 6.00 pm. Please come promptly at 6.00 as the solicitor will leave when the last person has been seen.

The door will be opened by a volunteer parishioner and your privacy is respected at all times

A MESSAGE FROM LIVING WELL

'Thank you so much for your incredible donations of food and money! We are so very grateful to you and the congregation of St Edmund's'.

There is a lovely thank you letter from Living Well on the porch notice board.

CRIB OFFERINGS 2023

This Christmas our crib offerings are for the Catholic Children's Society. This fund provides emergency grants for children and families in our Archdiocese who are facing a crisis in their lives. Every penny donated to the crib will be given out via these grants. Donations can be placed in the wall safe marked CRIB in the narthex.

We will have a second collection for the Catholic Children's society on 14 January.

Tony Nicholson, for many years a parishioner at St Edmund's, died on 19 December. He was the husband of Mary (née Conmy), and father to John, Adam and Luke, all of whom attended St Mary's.

May he rest in peace.

**THERE IS NO SECOND
COLLECTION THIS WEEKEND**

Christ our Light

The Lord Jesus declared, "I am the light of the world, he who follows me will not walk in darkness, but will have the light of life" (Jn.8.12). The service of the light on Holy Saturday well portrays Christ as the Light of the world. In some scriptural accounts, God is pictured in the burning bush, the pillar of clouds, as the rising sun and the light that endures. This Light that is God is shown as welcoming, guiding, unraveling, and enlivening (Rev.22.5). These days of the Christmas lights - we recall the birth of a baby in the Holy Family, the baby Jesus - the gift that is God, the Light of the world. The night of the Lord's birth was unique because it was a silent night, a holy night – when all was calm and all was bright. "The Word became silent in the manger and on the Cross. They were moments of great and powerful silence" (Pope Francis). More so, it was the night of a burst of light in the world and in the lives of men and women. The Nativity is God touching base with us – "the Word became flesh and dwelt among us" (Jn.1.14). The coming of God the Son in time and in humanity; dwelling spiritually in faith and charity in our soul.

These days are days of disturbance in the Holy Land – the region of the Lord's birth, growth, and ministry. There is a daily reminder of the sorrows and anguish of the victims of war, the displacement and death of children, women, and men. About this same time – there are solidarity marches and more apprehension in the Diaspora. It's simply timely to turn to **JESUS**, *the Prince of Peace*, for a peaceful settlement and *the Light of the World*, to chase away these pockets of darkness. The Nativity of Jesus is to give glory to the Father and pray that peace may reign on earth. The gift of peace is realized when bitterness is forgotten, discords are resolved and Christ - the light is allowed in. The power of the Incarnation of Jesus is meant to dispel the darkness of men's heart and world – just as darkness disappears when the light comes in. The Christmas trees, the Christmas lights,

and Christmas cribs are pointers to the significance of our eternal salvation – the little baby in the manger, the light of the world. Jesus is the light of the world - the light that never conforms nor goes out, the unconquerable Sun. The light that invites, illuminates, and liberates.

The People of God are to radiate this light by making it visible, penetrating, and prevailing in the world (Mt.5.14). Our good deeds are amplified when the light of Christ shines in our hearts and in our world. The light of Christ is never self generated but only reflected by men - "the Christian must be a luminous person who carries the light, a light that is not his own, but a gift of God, a gift of Jesus. We carry this forward" (Pope Francis). May Christ the Lord - save us through his birth! We wish you all a happy Christmas.

With fewer Masses being celebrated in the

higher attendance than we have been used
to post Covid. If there is an emergency it is
well to be prepared.

There are notices in the porch showing all

should be aware that the bar on all doors
leading to the outside just needs to be
pushed firmly and they will open.

Please be careful not to block the exits and
please park pushchairs, walkers and
trolleys away from doors.

If there is an emergency please listen to
the welcomer at your Mass and follow
their instructions.

SVP CHRISTMAS LUNCH

What a fantastic SVP Christmas lunch we all enjoyed in the church hall last Monday.

We welcomed 77 of our parishioners and friends to a delicious three course traditional Christmas lunch cooked that morning.

A quartet of cellists played for the first half of the lunch and then a choir of 12 Mini Vinnie school children from St. Mary's joined us and entertained us with a beautiful selection of carols and also presented each one of our guests with a personalised hand-made Christmas card.

Thanks to the children, all our volunteers and supporters who make this special annual lunch possible

NEW YEAR'S RESOLUTION??

Have you ever started the year resolving to read through the whole bible - or resolving to increase your knowledge and understanding of the bible? I've tried many times and failed! This year I discovered a plan that worked!! Not only will I have read (with 18 days to go) all 73 books of the Catholic bible but I have found the journey a joy and a revelation and it has helped me to relate God's word to my everyday life. What's the secret? The Bible in a Year podcast with Fr Mike Schmitz. Each daily episode is 20-25 minutes long and has 2 or 3 short scripture readings, a prayer and a reflection. The podcast is free on various platforms including Spotify, Hallow and Ascension and has around 750,000 daily listeners!! You can start at any time and go at your own pace - why not give it a try.

I plan to start a group in the New Year so that fellow Bible in a Year listeners can meet together and encourage one another.

COLLECTION THIS WEEKEND**

Family Mass at St Edmund's

Why is it important to have a dedicated 'Family Mass'? The answer is simple: children are the future of the Church. For that reason we need to give children a positive experience of Mass, welcoming them and showing them with their families how they can all play an active part in the celebration of Mass, by teaching them - explicitly and by example - what to do in church, including the gestures we use and how quiet we try to be, especially during the Eucharistic Prayer.

For the last two and a half years Family Mass has been held in St Edmund's Hall in parallel with 9.30 Mass in the church. It was re-launched in May 2021, when we were still under Covid-19 restrictions. From the many challenges we faced, a new and close congregation was formed, the fastest-growing of all in our parish. Family Mass has been a joyful experience and something we want to sustain.

When the Family Mass congregation last met in the hall on Sunday 29th October, we had no idea that change was in the air: change that meant Family Mass would need to move into the church.

We therefore now find ourselves in the process of integrating elements of our Family Mass into the established 9.30 Mass:

Children and families welcoming everyone to Mass.

Children leading the entry procession.

Children and/or their parents reading regularly, as the rotas merge.

Writing prayers or prayer intentions to add to our prayer books which are taken to the priest or deacon during the bidding prayers.

Making each bidding prayer our own, by singing a response.

Families taking the bread and wine to the altar.

Bringing small items of food or toiletries to give to the Living Well foodbank which the children take up in the offertory procession.

Singing the 'Echo' Our Father.

We would like to invite everyone to join us in...

Welcoming everyone to Mass, especially all families and those new to the Parish.

Preparing for Mass at home by writing a prayer or special intention on a Post-It note to add to our prayer books when you arrive.

Bringing small donations for the foodbank each week. The children will be pleased to take them to the altar on your behalf.

To families with young children...

Please come and sit in the benches nearest to the altar so that the children can see what is going on without having their view blocked by adults; it will also be easier to involve children during Mass, e.g. during the homily.

Please do not worry if your child makes a noise sometimes; you are all welcome and no-one is going to glare at you!

Please feel free to go into the Lady Chapel if you feel that your child is becoming very unsettled; from there you will still be able to hear and participate.

Please use the area at the back of the church labelled *Buggy Park* for your buggies if they are not needed during Mass.

Please encourage your child to develop their understanding of the Mass and their ability to engage, by guiding them through an age-appropriate missal; a range of resources to support this is available in the church shop.

Share other ideas with me (Ann Higgs) or one of the Family Mass Team – Laura, Rachel, Anna, Daniel, Diana, Natasha - about how we can develop this Mass further.

**Second collection for
Living Well**

COME, LORD JESUS, COME!

"Be on your guard, stay awake, because you never know when the time will come." These are the sobering words of Jesus in the Gospel for this first Sunday of Advent. Essentially Jesus is saying, 'As you do not know when I will return, be steadfast in your vigilance.'

The first two Sundays of Advent concentrate on the second coming of our Lord and the last two, the first coming, the Incarnation. So, in a sense, we are looking forward with faith and looking back in a spirit of thanksgiving.

Being watchful for the Day of the Lord is all about being ready, and we prepare ourselves by nourishing our souls with the Mass, the scriptures, the sacraments, our prayers and our selfless good deeds.

However, although we wait and watch for this momentous return, it doesn't mean Jesus is absent from our everyday lives; he comes to us in many ways, through people, nature, prayers, dreams and so many of the events and experiences we have in our lifetime.

Have you ever thought of yourself as a contemplative? Henri Nouwen, a Dutch Catholic priest, writer and theologian (1932-1996) believed we are called to be contemplatives, see-ers who see the coming of God in our everyday world. It's a constant action going on around us, between us and within us. But he warns us to be aware of the obstacles and blindfolds that would prevent us from recognising and benefitting from his extraordinary presence. Can you think what they might be?

Perhaps during this first part of Advent we can focus on eradicating anything that would prevent us from experiencing his loving presence.

Here is a prayer that can be a plea to our Lord for the here and now and for when he finally comes at the end of time.

"Oh! Yes, Lord Jesus, come and reign! Let my body be your Temple, my heart be your throne, my will be your devoted servant; let me be yours forever, living only of you and for you."

St Peter Julian Eymard (1811-1868)

CHANGES

It seems an age since I last wrote the parish newsletter's front page and I do so now at a time of flux and adjustment. Since my accident on 25th October when I damaged the tendons in my right leg, and the subsequent operation less than a week later, I have been confined to the house, using crutches and wearing a cricket pad on my leg. I will be like this until Christmas. Fr John has been away; he returned to Nigeria for two weeks to attend his mother's funeral. He is now back with us, and he tells me that the funeral went very well. Our absence has meant that Fr Ashley has celebrated the bulk of Masses for which I am very grateful.

Many of you will be aware that Fr Ray Brennan, parish priest of St Mark's, West Wickham has been seriously ill for the last two years and has been on our prayer list for the sick which is read out during Mass. He has now retired, and the archbishop has asked Fr Ashley to take on responsibility for St Mark's as parochial administrator. This will come into effect from the first Sunday of Advent (3rd December). It means of course that during my convalescence we will be down to one priest, namely Fr John, but with careful forward planning I hope to ensure we have priest cover throughout Advent and the Christmas Season.

Due to our current situation I have decided the Sunday Mass times from the first Sunday of Advent will be as follows:

6.00 pm vigil
9.30 am
11.00 am
5.30 pm

I apologise to those who regularly attend the 8.00 am Mass and I hope you will be able to find a suitable alternative here at St Edmund's. For those who attended the 9.30 Family Mass in the Hall, this Mass will now be celebrated in the church and will still be aimed at pre-school children and those at primary school.

We will continue to have 10.00 am Mass on weekdays and Saturdays. In the last three

weeks there has not been a 6.00 pm Mass and this will continue. A few parishioners have queried this but perhaps I could remind them that this Mass was introduced during the height of the pandemic allowing those anxious about coming to a Sunday Mass the option to fulfil their Sunday obligation by attending a weekday Mass. It was never intended that it should be permanent.

If I could now move onto the Mass schedule for Sunday 24th and Monday 25th December. It is as follows:

Sunday 24th - Sunday Mass times

9.30 am
11.00 am.

Christmas Eve

4.00 pm Family Mass. This is for parents with young and primary school children.
6.00 pm Mass With our folk Choir

Christmas Day

Midnight Mass (carols/readings from 11.30pm)
8.00 am
9.30 am
11.00 am

I would have liked to discuss these changes with parishioners before implementing them, but we were not given the time to do this and had to make decisions quickly. We can consider how it is working in the new year.

I would like to express my thanks for your understanding regarding these changes and I hope they will not cause too much inconvenience. I would also like to thank the clergy team and the presbytery staff for giving me such marvellous support during my convalescence. Last but by no means least, thank you for all your get-well cards and food gifts.

God bless,
Fr Steve

After writing this week's front page I learnt that we have been given the services of a priest who is in-between parishes. Fr Damian Ilodigwe will be joining us on December 1 until the end of January. This will take a burden off Fr John and allow me to ease myself back into work.

The Archbishop's request for Fr Ashley to move to St Mark's and his subsequent departure left us no time to arrange a thank you celebration for him. Rest assured that this will be organised for early next year.

We also would like to take a collection for Fr Ashley in recognition of his 27 years service at St Edmund's.

The following link will take you to the donate page on ChurchSuite where you should choose the option for Fr Ashley's gift:

<https://stedmunds.churchsuite.com/donate/>

Cheques and cash gifts can be put through the Office door, clearly marked for Fr Ashley, or the envelope can be put into the collection basket.

Time to Live Simply

"And God blessed them, and he said, "Increase and multiply, and fill the earth, and subdue it, and have dominion over the fish of the sea, and the flying creatures of the air, and over every living thing that moves upon the earth."

Genesis 1:28

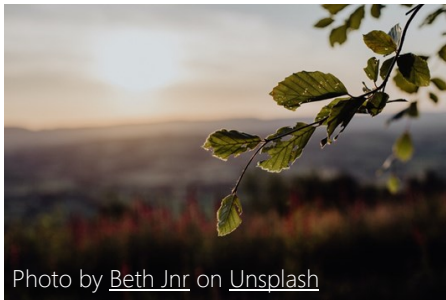

Photo by [Beth Jnr](#) on [Unsplash](#)

Just over a month ago Pope Francis published *Laudate Deum*, an apostolic exhortation, or more simply a call to action, to confront the threat of the climate crisis and

to take a moral stand now. In 2015 when Pope Francis published *Laudato Si' (or Praise Be)* it perhaps felt like there was still time to deal with the looming crisis; now as the Holy Father writes it is clear that we have already thrown away many chances to save creation from the damage that we have wrought. Time is running out, but there is still hope.

I believe that there is no better time for our parish to take a stand and to show our care for our common home. CAFOD responded rapidly to the message of *Laudato Si'* by establishing the LiveSimply award, which is an opportunity for Catholic communities to answer Pope Francis' call to care for our common home and stand in solidarity with our sisters and brothers around the world.

The bishops of England and Wales have encouraged all parishes and schools to work towards the award as a way of "protecting this world which God has entrusted to us".

In order to gain the LiveSimply award parishes need to show that they have been living:

- Simply
- Sustainably with creation
- In solidarity with people living in poverty

Any worthwhile action is not going to be easy and although the clergy team is backing this initiative, we cannot do this great work without the practical support of you, the parishioners of St Edmunds. This is an open invitation to get in touch and tell us if you would like to help St Edmund's in its journey towards living as a more sustainable parish. We are blessed with a diverse parish community with connections around the world, and no doubt there are many families who have already been impacted by climate change.

As Pope Francis has said, "We will find it hard to feel and show any real concern for those in need, unless we are able to cultivate a certain simplicity of life, resisting the feverish demands of a consumer society, which

leave us impoverished and unsatisfied, anxious to have it all now." (Gaudete et Exultate, para. 108, 2018)

From the youngest to the oldest, each person's different strengths and interests can contribute to making our action plan a success.

Some Parish Action Plan Ideas

Living Simply

Small Steps

- Challenge yourself to a parish unplugged day– without phone, TV or radio.
- Make time for silence in your day and in Mass.
- Upcycle furniture and donate to those in need
- Have a meat free day every week

Giant Strides

- Collect pledges from the whole parish to live sustainably and in solidarity with God's creation
- Challenge yourself and others to buy no new clothes for 12 months, discovering new outfits from your existing wardrobe
- Walk or cycle everywhere, to benefit mind, body and soul
- Make time to pray for God's creation, the people and the planet

Living in Solidarity

Small Steps

- Join in CAFOD campaigns to make sure the voices of our sisters and brothers are heard,
- Spend time in prayer on Family Fast Day, whilst eating more simply

Giant Strides

- Support CARITAS organisations in our parish
- Switch to an ethical bank (at home and in the parish)
- Set time aside as a parish to reflect on *Laudato Si'* and *Laudate Deum*

Living Sustainably

Small Steps

- Make our parish meetings and events planet-friendly – reduce paper use, use Fairtrade tea and coffee, use eco cleaning products
- Reduce energy usage = turning off computers and photocopiers, using LED bulbs (and turning them off when not needed), sharing lifts and promoting public transport, encourage recycling and composting

Giant Strides

- Conduct a parish energy audit to uncover ways of reducing our Carbon footprint
- Create a wildlife garden or community vegetable garden in the parish grounds complete with insect hotels, bat boxes and bird houses.
- Start a gardening club, hold a seed, sapling or harvest swap.

We look forward to hearing from you and working together to Live Simply.

EUCCHARISTIC MINISTERS & READERS

Father Steve's recent talk about Adoration and the lack of parishioners staying after Mass for this, really made me think that those of us who have these roles within our church could enhance them by coming to adoration on the last Saturday of the month ie 25th November after the 10 am Mass. We don't have to stay for the whole hour - just as long as our time allows. Adoration is so important and plays an important part in bringing us closer to Jesus. We can pray or let Jesus speak to us. Let us do this together on the 25th November.

REMEMBERING OUR WAR DEAD

Ever since the inauguration of the Service of Remembrance in Whitehall on Armistice Day, 1920, both the ceremony and the Cenotaph have been the focus not only of national mourning but also of controversy. At the outset, many on the Left denounced the whole thing as a hypocritical sham, allowing capitalist governments to shed crocodile tears over the cannon fodder they had sent to die in a war aimed at maintaining international capitalism. In 1933, a prospective labour candidate seized a wreath decorated with a swastika that had been placed on the Cenotaph by the agent of the Nazi government in Germany, and he told a passing bus driver to hurl it into the Thames. In 1973 two war widows interrupted the two minutes silence at the Cenotaph by demanding justice for war widows living in penury. More recently the Cenotaph has been spray-painted by anti-capitalists; a marcher for Black Lives Matter has tried to set fire to a union flag on the Cenotaph to draw attention to the link between the military and colonialism; and Extinction Rebellion have laid a wreath proclaiming that 'Climate Change Means War'.

It is not surprising that monuments and ceremonies commemorating the war dead rouse strong feelings. But over and above the opportunity they offer for making overtly political points, others have different questions to ask: should we be having such commemorations at all, or, if so, should we be doing it in this way, dominated as it is by military uniforms – does it not add up to a glorification of war and pander to outdated nationalistic and xenophobic feelings? And why commemorate only those killed or wounded on active service: what about the civilian casualties, for example? What about the millions who died in the flu epidemic that was spread, first and foremost, along the travel routes taken by soldiers and sailors travelling to and from the front?

I believe that such questions miss the point. When war broke out in 1914, and again in 1939, the overwhelming majority of people in this country supported the government. To this I would add that, well before 1939, it was an accepted maxim that 'The bomber will always get through'. In short, people in this country were aware that if German aeroplanes could cross over our shores, aerial bombardment of our cities was a certainty. In the event, civilian deaths in this country from enemy action during the second

world war, excluding members of the Merchant Navy, were less than one in a thousand of the population. By contrast, in both world wars, the death rate among those on active service was 12 to 13 per cent and in the merchant navy the figure was even higher. This, to my mind, put things into a very different perspective. The risk of dying as a civilian, though real, was still very small, even in London and the major cities. But those joining up, whether voluntarily or through conscription, had a one in eight chance of not coming back. That, to my mind, is courage on a noble scale.

People do not usually go to war lightly, and I think that it is insulting to those who did so, and especially so from 1939, to suggest that they were afflicted by narrow-minded nationalism or by the 'my-country-right-or-wrong' version of patriotism peddled by some on the Right. Identifying with ones country is, above all, about identifying with the culture and values one grew up with: these are what define who and what we are as individuals and as a society. Most of us would be horrified at the thought of having our self-identity as a people swept away by authoritarian regimes from overseas, and I can well understand why men and women in their hundreds and thousands have been prepared to go to war to defend us. The Armed Services do our fighting for us, our dirty work, if you like, and during the two world wars (and in other subsequent wars, even if for other reasons) men and women have been prepared to sign up and to face a one in eight chance of being killed. Those who died did so as servicemen and women, in uniform. Surely it is supremely fitting that we should honour them above all through tribute paid to them, on our behalf, by other men and women in uniform who are prepared to risk all, too.

Deacon Sean

EVENING MASS

Following Fr Steve's accident and with the planned absences of Fr John and then Fr Ashley there will not be a weekday evening Mass in our church for the foreseeable future. There is a Light of Christ Mass at 8.00 pm every Wednesday in the Hall to which parishioners are warmly invited.

Being formed in the likeness of Christ we strive to become a truly
Christ centred community, through humble witness, love, compassion and communion

We hope to donate about £3000 via gift cards and would be very grateful to receive any financial support from our parish community to help us to respond to as many of the requests as possible. BELIEVING IN PURGATORY

One of the most chilling reports from the terrible killings in Gaza has been the news that some children (or their parents) have been writing their names on their arms or legs in order that they can be identified if they are killed. It is difficult not to be reminded by this of our practice, here and in Catholic churches all over the world, of writing down the names of our loved ones for whom we want to pray this month. This is a group activity: we ask our fellow Catholics here to pray with us. We are grateful to those who each year put together and maintain our Remembrance tree for this month of the Holy Souls.

I noticed recently that some other Christians keep this time as a Season of Remembrance: this seems to be built around the observance of Remembrance Sunday next weekend. I hope the danger is avoided of getting caught up in the militarism and nationalism which so often mars this country's efforts to remember the victims of war. But there is a significant difference between this and what we do in November. Remembering someone is an act of calling them to mind; it is a good thing to do, but praying for someone's soul is not the same thing. The Catholic Church teaches that when we die most of us need a process of cleansing and purification – the place for this is what we call Purgatory – and we are helped in this process by Masses and prayers offered for us by our loved ones whom we have left behind. This is why we offer Masses for deceased relatives and mark this by sending Mass cards and so on. We know these things are different because in the 16th century the Protestant Reformation in this country deliberately eradicated prayers for the dead, which had been such a big feature of medieval Christianity. Funeral services were no longer intended to pray for the dead person's soul: they simply happened (rather grudgingly at times) to offer comfort to the bereaved. You see the heritage of this even now: so often non-Catholic funerals are only about the dead person in terms of the person's good qualities. There's little or nothing about the need for forgiveness or prayer for the person; worse still, in many funerals God is scarcely present in prayers, and mourners feel unaware of or ill at ease with the Christian Scriptures (what is often more popular is Canon Henry Scott Holland's reflection 'Death is Nothing at All).

In the face of bereavement all of us, not only clergy, need to be sensitive to people's beliefs and backgrounds, and the Church offers support to all who seek it. But at the same time November is a good time to recall what we really believe as Catholics, and how these beliefs are distinctive. They don't mean that we're better than other people; but what we believe is different. This is particularly important when violent death is staring us in the face through the depravity of war. It's ironic that the First World War came to an end in the Month of the Holy Souls (indeed during the war Pope Benedict XV had enhanced the Church's way of praying for the dead because of the slaughter); but unfortunately the State's determination to justify and glorify war whenever possible (it often helps to distract people from deplorable political leadership) takes over, especially in countries like ours where so many people have abandoned religious belief and practice: there is a vacuum to be filled. What this means for us is that our prayer this month for our loved ones in Purgatory needs to be linked to a determination to challenge and work against the glorification of war.

ARRANGEMENTS FOR MASSES THIS MONTH

As you know the week before last Father Steve had a bad fall at Aylesford Priory; he has had surgery and is recovering well but is on sick leave; and Father John goes back to Nigeria this weekend for his mother's funeral. Our prayers are with Fr Steve; and we pray for Mary Olaniran's soul and for Father John and his family. This means that some changes have been made to our programme for this month; also as you know I have responsibilities for teaching on the diaconate formation programme (next weekend), and the teaching of students at Allen Hall Seminary and St Mary's University, which are part of my ministry as a priest. Consequently the separate Family Masses in the hall will not take place for the next three weekends and we have had to cancel the 6pm weekday Masses for the next few weeks; the annual Mass for the Bereaved has also been postponed. We are fortunate to have two deacons in this parish and on some occasions a weekday Mass will be replaced by a Celebration of the Word and Holy Communion led by them. I am also grateful to other priests in the deanery for their support.

Archbishop's Appeal

Second Collection 13 November

The Archbishop's Appeal seeks to invest faith, hope, love, and charity into three key areas of mission and ministry in the Archdiocese of Southwark.

Youth and Evangelisation

Supporting social outreach projects in parishes and schools.

Clergy Care and Formation

To care for sick and retired priests in their old age and ill health. Supporting the ongoing formation of our priests and deacons. Providing on-going formation of clergy in active ministry. Supporting the work of the vocations team and formation of seminarians and deacons.

Pooled together, your support can have significant impact in our faith community. A portion of the monies raised will be granted to parishes and Catholic schools to support local projects.

As you are aware, during October the World Synod of Bishops has been meeting in Rome – our own archbishop has been among those taking part. This part of it concludes this weekend (it will continue in a year's time); here are extracts from a special message from the synod to all of us (the whole text is on www.vatican.va and the porch noticeboard):

‘Dear sisters, dear brothers, as the proceedings of the first session of the 16th Ordinary General Assembly of the Synod of Bishops draw to a close, we want to thank God with all of you for the beautiful and enriching experience we have lived. We lived this blessed time in profound communion with all of you. We were supported by your prayers, bearing with you your expectations, your questions, as well as your fears. As Pope Francis requested two years ago, a long process of listening and discernment was initiated, open to all the People of God, no one being excluded, to “journey together” under the guidance of the Holy Spirit, missionary disciples engaged in the following of Jesus Christ.

The session in which we have been gathered in Rome since 30 September is an important phase of this process. In many ways it has been an unprecedented experience. For the first time, at Pope Francis’ invitation, men and women have been invited, in virtue of their baptism, to sit at the same table to take part, not only in the discussions, but also in the voting process of this Assembly of the Synod of Bishops. Together, in the complementarity of our vocations, our charisms and our ministries, we have listened intensely to the Word of God and the experience of others. Using the conversation in the Spirit method, we have humbly shared the wealth and poverty of our communities from every continent, seeking to discern what the Holy Spirit wants to say to the Church today.

Our assembly took place in the context of a world in crisis, whose wounds and scandalous inequalities resonated painfully in our hearts, infusing our work with a particular gravity, especially since some of us come from countries where war rages. We prayed for the victims of deadly violence, without forgetting all those who have been forced by misery and corruption to take the dangerous road of migration. We assured our solidarity and commitment alongside the women and men all over the world who are working to build justice and peace.....

And now? We hope that the months leading to the second session in October 2024 will allow everyone to concretely participate in the dynamism of missionary communion indicated by the word “synod”. This is not about ideology, but about an experience rooted in the apostolic tradition. To progress in its discernment, the Church absolutely needs to listen to everyone, starting with the poorest. This requires a path of conversion on

its part, which is also a path of praise: “I thank you, Father, Lord of heaven and earth, that you have hidden these things from the wise and understanding and revealed them to little children” (Luke 10:21)! It means listening to those who have been denied the right to speak in society or who feel excluded, even by the Church; listening to people who are victims of racism in all its forms – in particular in some regions to indigenous peoples whose cultures have been scorned. Above all, the Church of our time has the duty to listen, in a spirit of conversion, to those who have been victims of abuse committed by members of the Ecclesial body, and to commit herself concretely and structurally to ensuring that this does not happen again.

The Church also needs to listen to the laity, women and men, all called to holiness by virtue of their baptismal vocation: to the testimony of catechists, who in many situations are the first proclaimers of the Gospel; to the simplicity and vivacity of children, the enthusiasm of youth, to their questions, and their pleas; to the dreams, the wisdom and the memory of elderly people. The Church needs to listen to families, to their educational concerns, to the Christian witness they offer in today’s world. She needs to welcome the voice of those who want to be involved in lay ministries and to participate in discernment and decision-making structures.

To progress further in synodal discernment, the Church particularly needs to gather even more the words and experience of the ordained ministers: priests, the primary collaborators of the bishops, whose sacramental ministry is indispensable for the life of the whole body; deacons, who, through their ministry, signify the care of the entire Church for the most vulnerable. She also needs to let herself be questioned by the prophetic voice of consecrated life, the watchful sentinel of the Spirit’s call. She also needs to be attentive to all those who do not share her faith but are seeking the truth, and in whom the Spirit, who “offers everyone the possibility of being associated with this paschal mystery”, is also present and operative. “The world in which we live, and which we are called to love and serve, even with its contradictions, demands that the Church strengthen cooperation in all areas of her mission. It is precisely this path of *synodality* which God expects of the Church of the third millennium” (*Pope Francis, October 17, 2015*).

We do not need to be afraid to respond to this call. Mary, Mother of the Church, the first on the journey, accompanies our pilgrimage. In joy and in sorrow, she shows us her Son and invites us to trust. And He, Jesus, is our only hope!

Fr Ashley Beck

FR STEVE

Fr Steve had a very nasty fall when he was visiting Aylesford Priory on Wednesday. He has badly damaged the tendons in one leg and will require surgery to repair it. He is very grateful to those who are remembering him in their prayers.

We do not know when he will be able to resume celebrating Mass in the church, and this, combined with Fr John's planned absence to officiate at his mother's requiem in Nigeria will mean that some Masses will not be able to be celebrated. Please read the newsletter or take a look at our Facebook page to be kept up to date.

ADORATION OF THE BLESSED SACRAMENT

I recently attended a Diocesan Formation Day at Bishop Thomas Grant School in Streatham. A few of our parishioners were also present. As Fr Steve wrote in last week's newsletter, from the outset there was a sense of togetherness. Fr Steve gave a 45 minute talk on the Adoration of the Blessed Sacrament which we have daily in our church, but which is very poorly attended. Sparring even a few minutes in church praying before the Blessed Sacrament or in the stillness allowing our Lord to speak to you can bring peace and joy - it does not have to be the whole hour - in the words of Pope Benedict XVI "*Adoration is essentially an embrace with Jesus in which I say to him - "I am yours and I ask you to please stay with me always"*". So, let us all pray in adoration together on **Saturday, 28th October, after the 10.00am Mass** and continue to do this after Mass on the last Saturday of each month.

On Saturday 14th I was very privileged to be part of a Diocesan formation day for Extraordinary Ministers of Holy Communion and Lectors. The event was held in St Stephen's in Welling, of which Canon Edward Perera is parish priest. Parishioners of thirty years or more will remember him as an assistant priest here.

Approximately 120 people had registered for the day but rather surprisingly 192 turned up and we had to delay the start to find extra seating. What a nice problem to have!

From the outset I could sense that people wanted to be there and very quickly there was a sense of togetherness. The topic of the day was prayer; there were presentations on Lectio Divina, Prayer and Adoration, and Peter's Journey of Prayer. My presentation on Adoration was largely inspired by two recent pilgrimages I had made to Medjugorje, one was private and the other a parish pilgrimage.

On both pilgrimages I was impressed by the number of people attending Mass throughout the day at St James, the parish church. The Masses were celebrated in a number of languages. Every morning I would concelebrate at the English Mass. The people were fully focussed and bright with an expectant faith. Everyone was completely engaged in the liturgy.

At Medjugorje, there are always lengthy queues for confession, with many languages being catered for. So often my experience in this country is of a largely poor turnout for confession, but in Medjugorje a priest who offers himself for this sacrament can expect to be there for a very long time!

What amazed me more than anything else were the extraordinary numbers that attended Adoration of the Blessed Sacrament. This 'Holy Hour' was held outside the church three times a week in the early evening. All ages were represented. To see families, (some of them with young children and babies), teenagers, young couples, middle aged and elderly all gathered in a spirit of prayer before the Blessed Sacrament was so uplifting. During the hour there were short periods of prayers and scripture readings, interspersed with singing to the gentle accompaniment of violin and guitar. But mostly there was silence, except for the breeze stirring the leaves and birds singing. It was idyllic.

On both occasions as I journeyed home, I felt a

strong desire to encourage more people to come and spend time before our Lord on the altar.

Successive popes and many saints have stressed the importance of Adoration and encouraged the faithful to come to it so they can receive our Lord's love and in turn love him more fully. Why are many of us so indifferent, so slow to respond to the invitation? We spend time with people we love; family and friends. Why can't we spend a small amount of time with Jesus Christ? Perhaps for some of us He is not important enough.

If you are uncertain about Adoration there is a beautiful story from St John Vianney, the Cure D'Ars, about a man who he would often see in church sitting before the Blessed Sacrament. One day he asked him what he was praying, and the man replied, "*He looks at me and I look at him.*" Sometimes we over complicate prayer and perhaps what we need is a simpler approach.

On Saturday a second group of Extraordinary Ministers of Holy Communion and Lectors will assemble at Bishop Thomas Grant School in Streatham to engage in this presentation on prayer. Again, as part of the programme, I will try to encourage people to come and be with our Lord as often as they can. I hope that our own parishioners who attended these gatherings will help lead the way.

"Adoration is essentially an embrace with Jesus in which I say to him – "I am yours, and I ask you, please stay with me always". Pope Benedict XVI

Fr Steve

At the conclusion of his usual Wednesday morning audience, Pope Francis announced a day of prayer and fasting for an end to the Israel-Hamas war. This is to be observed on Friday 27 October. On that day there will be a vigil in St Peter's Square at 5.00 pm (UK time) and the Holy Father hopes that the faithful around the world will join him in prayer at that time.

Is any one else able to make some poppies for us? We have received some beautiful ones but are happy to have more. We just need them back by the end of the month.

The Soothing Oil

The reflection this week is on the anointing of the sick – a sacrament not often celebrated like the other sacraments. Some time ago, a priest shared this experience with us. A parishioner of his had sent for him, before going in for a surgery, to come and pray for him. The priest decided to give the man the anointing of the sick as well. On getting to the hospital and informing the man – the man declined and insisted on a simple prayer before going in for the surgery. Like the people of old, his belief was that the sacrament is given to those who are about to die. Some people have also expressed a similar understanding - so I'm inviting all to have another look at the understanding of this sacrament.

The ministry of the Word and the Sacraments in the Church are vital in the Pastoral care of the faithful. The use of the Oil and the appropriate prayer constitute the form and matter of the Sacrament of the Sick. This sacrament is otherwise called Extreme Unction – where the oil of soothing is put to use. The import is to free the sick from discomfort and pain - to grant them healing and wholeness in body, mind, and soul (James 5.14-15). This Oil is normally blessed by the Bishop at the Chrism Mass on the Wednesday of Holy Week and the priest is the minister of this sacrament. Hence, the anointing of the sick can come up during the Mass, in homes and hospitals. The sacrament of the sick is administered to the aged, those in danger of death by sickness or accident, and those going in for a surgery - this sacrament can be repeated. And the Church encourages that the families and friends should be present when the sacrament is being administered.

The pastoral care of the Church for her members is from the womb to the tomb.

For instance, there are special blessings for pregnant mothers and mothers who have just given birth. In a same way, is the pastoral care for the aged and the dying. Suffering, illness and pain are realities of life, as well as our sharing in the passion of Christ (Col.1.24). One may draw a link between the Oil of the sick and the Balm of Gilead in the Old Testament. The Balm of Gilead was considered rare, valuable, and medicinal (Jer.46.11). The people of old saw it as the sinners' cure and a means to salvation (Jer.8.22) – “the effects of the sacrament of the Anointing of the sick are to comfort and strengthen the soul, to remit sin, and even to restore health, when God sees it to be expedient” (A Catechism of Christian Doctrine – no.303).

The celebration of the Sacrament of Anointing is to be accompanied by the sacrament of Penance (if the sick person can consciously do so) and the reception of Holy Communion. There is the laying on of hands by the priest on the sick person before the use of the oil on the forehead and the hands. In this way, the sick person is visited with the love, compassion, and healing of Christ. “The Church does not want us to wait for the final moments before receiving it. We should receive this sacrament when we first start to show signs of being in danger of death through sickness or old age” (Vat. II - Sacrosanctum Concilium,73).

ST EDMUNDS CHRISTMAS SHOE-BOX APPEAL 2023

We're collecting shoeboxes for the Blythswood Shoebox appeal again this year. The charity has let us know that all the boxes we collect will be going to Ukraine.

There is more information about the 2023 shoebox appeal and videos of last year's boxes being distributed on Blythswood's website <https://blythswood.org/shoeboxappeal/>

Shoebox leaflets are available at the back of church from this weekend.

Leaflets can also be downloaded here: <https://blythswood.org/wp-content/uploads/2022/08/Shoe-Box-Appeal-Checklist-2022.pdf>

Please share information about this with family, friends and social media groups!

It's easy to choose gifts for people who have so little. Shampoo, a pair of socks, a notepad, a small toy, a bag of sweets – things we take for granted will seem like luxuries to people living in poverty.

By filling a shoebox with simple things you can bring hope this Christmas.

From now until 5th November – Please bring filled shoeboxes to 20 Reddons Road, BR3 1LZ. We are also happy to collect your box if you can't get to us.

4th and 5th November – we will have our car boot open on the church forecourt before all weekend masses for shoebox collections.

If you would prefer to make a donation to the appeal this year rather than fill a box, you can do this too at <https://blythswood.org/donate-to-shoe-box-appeal/>

Cafod envelopes returned

The joy of God is my strength

A few days ago I was able to talk with one of the most inspiring men I have ever met. His name is Fr Philip Addo and I was delivering some medical supplies to him. The journey to visit him was a bumpy one for much of the way, for he lives in a rural community in Ghana (where I am writing this) that can be reached only along a terrible road: the community is way out in the bush because it is a former leper colony, and lepers used to be shunned. The place is called Ahotokurom, which means 'Healing Town', and while leprosy is now curable, there are still people living there with the physical consequences of the disease along with people suffering from other major disabilities. Fr Philip is in this second category: 24 years ago he was crippled in a car accident on his way to celebrate the ordination of a fellow seminarian who was a year ahead of him.

Even before I met Fr Philip for the first time a few days ago, I already knew something of his story because, some years ago, the charity that supports my work in Ghana, the Nankesido Education and Welfare Trust, had provided an electric wheelchair for him following his accident, and, in addition to that - for it's a small world - the daughter of some parishioners, Trudy Kilcullen, knows Ahotokurom well, having for many years supported the work of the Daughters of Mary and Joseph who then ran the community. It was at Trudy's request that I was taking the medical supplies to him.

Fr Philip's story is one of extraordinary courage and faith. The car accident that changed his life had paralysed him from the neck down, and left him in traction, unable for some time to breathe unassisted. It was clear from the casual indifference he received from doctors and nurses alike that, as far as they were concerned, he was a write-off - they told his family as much - and, his main interest to them was as a teaching aid to medical students. For two months he suffered often excruciating pain and his body began to stink from putrefying bed sores. But he never gave up. Such was the state of him that two bishops who came to visit him were reduced to tears and speechlessness. He told them, as he told all his visitors, that he hoped in the Lord because, 'The joy of God is my strength' (Nehemiah 8: 10b). Only then were the bishops able to find words for him.

One night, while still paralysed, he had a vision of himself lying in a coffin, surrounded by mourners. That same night the local Catholic Charismatic

Renewal group came to visit him. He told them of the vision and asked them to pray for him. Here is what happened next, in his own words: 'Lo and behold, that night my whole system began to shiver. Eventually, I fell from my bed. How could a 'motionless' body fall from a bed?' The ward assistant wanted to inject him, but he refused, and his body became so uncontrollable that the injection was impossible to administer. Soon after, by now certain that the treatment he was receiving was making things worse, he was discharged into the care of the Daughters of Mary and Joseph at Ahotokurom. With their wonderful and heroic support, and that of many other good people, his recovery began. He was then able to receive treatment in London, things improved further and, to his great joy, his Archbishop was soon able to ordain him. Although he is confined to a wheelchair, and is in continuing need of medical attention, he can now function more normally and serves the community of Ahotokurom whose fellow residents have disabilities to compare with his. He serves in other parishes too, and people come from far and wide to see him for counselling and encouragement.

When I met Fr Philip to hand over the medical supplies, I was struck, as Trudy had said I would be, by the joy that emanated from him, and the calm, and by the deep, deep love he has for God. 'Do you know what is the greatest miracle in my life?' he asked me, 'it is my ordination.' All through his ordeal (and I have only given a brief outline of it here) he never wavered in his certainty that God would see him through it all, and the crowning joy for him was that, despite all the odds, God made it possible for him to fulfil his boyhood call to his vocation as a priest. Those words of Nehemiah Fr Philip always held on to, 'The joy of God is my strength' were first uttered when Jerusalem and its Temple were being rebuilt after their destruction by the Babylonians: for Nehemiah, things were already on the up for the inhabitants of Jerusalem: the green shoots of recovery were there to be seen: no wonder Nehemiah could speak of joy. For the young seminarian, Philip Addo, lying paralysed, week after week, in constant pain, written off and despaired of by all but a few, there were no such hopeful signs to encourage him, except his unshakable faith in God.

BAPTISM PREPARATION SESSION

The diocese requires all parents wishing to baptise their first child to attend a Baptism Preparation Session.

The next one is on **Sunday 15 October** in the Hall after the Family Mass.
Baptisms can be booked after this session.

No need to register.

This lovely email was received in the Office on Tuesday.

Thank you so much for the very generous Harvest donations that we received yesterday, we are so grateful for the support! Please pass on our sincere thanks to all at St Edmund of Canterbury and to Mick for delivering a very full car load.

We have more and more people registering with us each week. The donated items will be packed into food bags today by a team of amazing volunteers to go out to our guests at our foodbank this afternoon and at the end of the week.

Thank you so much once again for continuing to support Living Well and for helping us to help those most in need in our community.

Best wishes

SECONDARY SCHOOLS

Parents applying to a Catholic secondary school for a place for their child next year (2024), need documentation signed by a priest. Forms should be sent or delivered to Fr Ashley at the Presbytery, accompanied by a stamped self addressed envelope. Please post your envelope through the letter box.

The Parish Office & the other clergy do not deal with this!

Fr Ashley

If anyone has a Missio box at home, please give it a rattle! If it has any coins in it, please bring it to the Office so it can be emptied. The coins don't do any good in the red boxes, but they can do wonders once Missio has them.

LAUDATE DEUM

As you know the World Synod of Bishops opened in Rome last Wednesday. Among those taking part is our own Archbishop John Wilson. At the same time the Holy Father published what is really a 'follow up' to his 2015 encyclical *Laudato Si'* which was about the care of creation; at the time we spent a lot of time reflecting on it in this parish and in our school. The new letter can be found here: ["Laudate Deum": Apostolic Exhortation to all people of good will on the climate crisis \(4 October 2023\) | Francis \(vatican.va\)](#) On our various outlets and at Mass we will be reflecting on the synod taking place for the rest of this month. Please pray for the Holy Father, our archbishop, and others who are in Rome.

After all Sunday Masses the Catenians will be handing out leaflets about the rosary which they hope will be a useful tool for parents to encourage their children to pray. There is more information about the Catenians on their board in the porch.

We have received the first crocheted poppies for our planned memorial for Remembrance Sunday.

There is plenty of time for others to be made in whatever fabric or manner you wish, in red and black up to 10 cm in diameter. Please put your completed poppies in the box in the porch no later than 31 October.

There are some templates at the back of church but please feel free to design your own.

LIGHT OF CHRIST PRAYER MEETING Wednesday 11 October at 8.00 pm

Mass will be celebrated by Fr. Boniface at 8.00pm followed by Lectio Divina and fellowship.

For more information call Tom on 07982 999319

Please remember to return your Cafod envelopes for the second collection this weekend.

If you prefer to make a donation online go to <http://www.cafod.org.uk/>

If you are a UK taxpayer and you gift aid your donation, it will be worth 25% more to Cafod at no extra cost to you.

ST EDMUNDS CHRISTMAS SHOE-BOX APPEAL 2023

We're collecting shoeboxes for the Blythswood Shoebox appeal again this year. The charity has let us know that all the boxes we collect will be going to Ukraine.

There is more information about the 2023 shoebox appeal and videos of last year's boxes being distributed on Blythswood's website <https://blythswood.org/shoeboxappeal/>

Shoebox leaflets are available at the back of church from this weekend.

Leaflets can also be downloaded here: <https://blythswood.org/wp-content/uploads/2022/08/Shoe-Box-Appeal-Checklist-2022.pdf>

Please share information about this with family, friends and social media groups!

It's easy to choose gifts for people who have so little. Shampoo, a pair of socks, a notepad, a small toy, a bag of sweets – things we take for granted will seem like luxuries to people living in poverty.

By filling a shoebox with simple things you can bring hope this Christmas.

From now until 5th November – Please bring filled shoeboxes to 20 Reddons Road, BR3 1LZ. We are also happy to collect your box if you can't get to us.

4th and 5th November – we will have our car boot open on the church forecourt before all weekend masses for shoebox collections.

If you would prefer to make a donation to the appeal this year rather than fill a box, you can do this too at <https://blythswood.org/donate-to-shoe-box-appeal/>

Any questions, please call Susie or Lucienne –

It was a joy to meet so many of you at our recent Parish Open Day and to have the opportunity to tell you about some of Cafod's campaigns.

Fix the Food System is a campaign running this year in support of local farmers in countries such as Bangladesh. For generations, small-scale farmers have collected seeds from the plants they grow and shared them with their neighbours. In this way they can grow a great variety of resilient local crops. It also means that if their plants are destroyed by bad weather, which is an increasing occurrence, they can replant from their store of saved seeds.

In recent years, governments across the world, supported by financial institutions such as the World Bank, have adopted seed laws which have the potential to restrict the farmers' abilities to use their own seeds, forcing them to buy commercial seed, which is expensive and often not suitable for the local conditions. The subsequent seeds from these crops are often infertile, meaning that the farmers must buy more seed the following year. Cafod is calling for protection of the fundamental rights of small-scale farmers and has now received signed petitions from over 600 parishes, which will be delivered to the World Bank HQ in London on October 11th; many thanks to those of you who signed this at the Open Day. A small Cafod delegation is also due to attend the World Bank meeting in Morocco to speak directly to senior staff about seed policy.

We have seen many devastating effects of climate change on our World this year. Cafod has tried to increase awareness of the need for action on climate change for many years, particularly regarding the disproportionate effect on the poorest communities. Currently there is a petition to try to dissuade

Rishi Sunak from following through his recent u-turn on policies to tackle the climate crisis. Please consider signing this petition, which can be found on Cafod's website www.cafod.org.uk.

The Cafod **Livesimply award**, inspired by the teachings of Pope Francis in *Laudate Si'*, is offered to communities and schools who can show that they have been living:

simply

sustainably with creation

in solidarity with people living in poverty

There is more information about this, including resources and ideas, on the Cafod website.

Cafod's main aim is, of course, to reach out with practical help to people in poverty and to provide emergency aid in times of disaster, working with local partners such as Caritas. None of this work would be possible without generous support from communities like St Edmund's. We are particularly grateful to those continuing to support Cafod despite the increasing cost of living.

Cafod's Harvest Fast Day is next Friday, 6 October, and this weekend speakers at Masses will be focussing on Cafod's support for medical teams following the floods in Pakistan. Please take an envelope home with you and return it in the second collection next week with a donation, however small. If you are a UK taxpayer, please consider gift-aiding your donation – at no extra cost to you.

PASTORAL REVIEW

The World Synod of Bishops, devoted to *Synodality*, opens in Rome this week. Among those taking part from all over the world, bishops and laypeople, is our own Archbishop John Wilson. We have been preparing for this event for two years in discussions and written feedback here in our parish and elsewhere. In the new issue of the *Pastoral Review*, available in the porch, there is an article by our own Emma Carlile about the process here at St Edmund's, together with other reflections. A number of parishioners have written for the journal over the years (including Ann Higgs, Sister Assumpta Geyrich SSPC, Ruth McConkey, Deacon Ray Williamson, Annie Williamson, Liam Allmark and Sofia Abasolo) and I was appointed editor earlier this year following the sad death last year of the previous editor Professor Anthony Towey. While it is good that we take copies for the parish, we are keen to recruit subscribers which would enable you to receive your own copy at home four times a year for only £27. Details of how to do so can be found at [Pastoral Review news about Catholicism and Christianity in The Tablet](#)

This lovely picture was taken at St George's Cathedral on July 31 at the Annual Mass for Special Anniversaries when Mavis and Geoff Alagar renewed their marriage vows made 50 years ago and Isabelle and Hugh Blake-James renewed theirs made 25 years ago at a Mass celebrated by Archbishop John.

By tradition, the Catholic Church dedicates each month of the year to certain devotions. October is dedicated to the Holy Rosary and includes the Feast of Our Lady of the Rosary

on October 7.

Each week on Monday, Wednesday and Friday we have the opportunity at 9.30 am to join together to recite the rosary before Mass. During October it would be good to see a real gathering of parishioners joining together for this wonderful prayer.

At the turning of the seasons there can be a certain sadness. The beauty of summer gives way to the shorter, darker days of autumn, with the recent rain and winds those 30° temperatures day after day are quickly forgotten. Imagine if the joys of an English summer were gone forever. For instance the smell of freshly mown grass, the verdant leaves on the trees, the sound of the dawn chorus, the taste of fresh strawberries, or the soft touch of a dandelion seed head. We don't need to overtax our imaginations because the climate crisis is starting to rob us of experiences that we once took for granted. The seasons are no longer as predictable as they used to be, torrential rain and flash floods are increasingly common. We need to make the most of the remaining sunny days of the year which might tomorrow become stormy nights. Our climate is changing, we have squandered the great gift of creation and future generations will pay the price. In 2015, after the publication of his encyclical letter *Laudato Si'* (or 'Praise Be' in English), Pope Francis established the Season of Creation, an annual event to act as a reminder of God's great gift to us all. This season runs from 1st September to 4th October; we are just 10 days from the end of this season for 2023, which will be marked by a postscript to *Laudato Si'*. We are called to be 'stewards of creation', to tend and care for this Garden of Eden; as the Bible says:

"And God blessed them, and he said, "Increase and multiply, and fill the earth, and subdue it, and have dominion over the fish of the sea, and the flying creatures of the air, and over every living thing that moves upon the earth." Gen. 1:28

This verse is referred to as the cultural mandate, the call to stewardship, and by so many measures we are failing.

To quote Fr Mike Schmitz (narrator of the Bible in a Year podcast) the problem is not so much that we have sinned (or are sinning), but that we want to sin in the first place, that we have turned our gaze away from God. In order to avoid sinning we need to change our hearts, and in order to stop destroying the planet we all need to change our hearts of stone, and rediscover our gratitude for the gift of creation. If we don't then what inheritance do we leave for those who follow?

In 2015, the same year that *Laudato Si'* was published, the Royal Society of Arts commissioned nine original poems on Climate Change. The poem *Inheritance*, by John Agard, struck me particularly for the way it relates our stewardship to the Beatitudes and a stark reminder of our responsibilities.

Inheritance by John Agard

If we, the children of the meek,
should inherit an earth
whose rainforest lungs
breathe a tale of waste –
an earth where the ailing sea
shudders in its own slick

If we, the children of the meek,
should inherit an earth
where the grass goes nostalgic
at the mere mention of green
and the sky looks out of its depth
when reminded of blue

If we, the children of the meek,
should inherit such an earth,
then we ask of the future
one question: Should we dance
or break into gnashing of teeth
at the news of our inheritance?

PARISH OPEN DAY

Thanks to all the groups who participated in our Open Day last weekend. It was lovely to see so many new faces asking about the activities on offer and signing up to try new things. Thanks must go to Margaret Kelleher who was handed the task of co-ordinating everyone. She did a wonderful job and kept a smile on her face at all times.

DOMINIC GEOGHEGAN RIP

Paul, Deirdre, Caragh and Mark would like to thank everyone who has supported them in any way in the weeks since their beloved son and brother, Dominic, died suddenly and unexpectedly.

We have been surrounded with an outpouring of love, kindness, support, practical help and prayers which has helped us through these first weeks.

A Mass will be said for you all in gratitude.

ST MARY'S CATHOLIC PRIMARY SCHOOL OPEN MORNINGS

St Mary's, our parish school will be holding three open mornings for parents of children due to start Reception in **September 2024**, at 10.30 am on Wednesday 4th October, Thursday 2 November and Wednesday 29 November.

If you would like to attend any of these open mornings, please contact Mrs Tracey - School Admissions Officer by email at: admin@stmaryscp.co.uk

NATIONAL MASS COUNT

This count is carried out at every Catholic church in the country, at every Mass that is celebrated on four consecutive Sundays beginning this weekend.

Our stewards will be doing the count and you probably won't even notice they are doing it. Every person in the church, from a new born baby to the priest celebrating the Mass is counted and all the numbers are sent to the diocese and eventually end up in Rome.

SECONDARY SCHOOLS

If you are applying to a Catholic secondary school for a place for next year (2024) you will need documentation signed by a priest: please send or deliver the forms direct to Fr Ashley. The Parish Office & the other clergy do not deal with this!

LAW SURGERY

We are pleased to announce the restart of our monthly Law Surgery commencing on Monday 2 October at 6.00 pm in the **Presbytery**, and every successive first Monday of the month, 6 November and 4 December until the end of this year.

The format remains the same save for the change of venue from No.11 to the Presbytery until further notice. People will be seen on a first come, first served basis with a waiting room facility in the Presbytery.

The service is provided by a local firm of Solicitors who will endeavour to identify a wide range of legal problems and recommend appropriate future action to those in need of legal advice.

We are so grateful to the team for offering their professional services to our parishioners.

SOCIAL & FUNDRAISING MEETING

The next meeting to discuss and plan for events in the parish is on Thursday 28 September at 7.00 pm in the Main Hall. All our regular helpers have been contacted but we are happy for anyone with ideas to come along and join the team.

BAPTISM PREPARATION SESSION

The diocese requires all parents wishing to baptise their first child to attend a Baptism Preparation Session.

The next one is on Sunday 15 October in the Hall after the Family Mass.

No need to book

We plan to have a swathe of poppies in the church during November. We hope to be able to keep it from year to year and add to it over time.

We are inviting you to make knitted, crocheted or fabric poppies, in red or black, up to 10 cm in diameter. There will be a basket in the porch for you to put your completed poppies in no later than 31 October please.

There are some templates at the back of the church but please feel free to do your own design.

WALKING GROUP

To mark the 175th anniversary of the opening of St. George's in 1848, a walk has been organised for anyone who is interested in the history of the Cathedral and the surrounding area of Southwark Bankside. The walk will start at St George's Cathedral and end at St George the Martyr in Borough High Street. The walk will last about 90 minutes and will meander through the back streets of Bankside where you will learn about Victorian charities, theatres, prisons, riots and hospitals. Charles Dickens spent many hours in these streets gathering materials for his novels including Pickwick Papers, Little Dorrit and Barnaby Rudge. The walk will start at 2.00 pm on Saturday 30 September outside the Cathedral. Come and celebrate the 175th birthday of the building and community of St George's. The History Tour will be led by Jenny Rossiter of the Lambeth Tour Guide Association. The tour is free, but donations are welcome for the nominated charity *The Arch Romero Trust*. If you wish to join this walk, please let me know if you would like to meet in Beckenham or at the Cathedral.

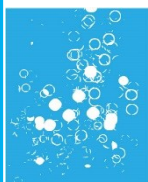

IF YOU WISH TO JOIN PLEASE MEET AT NEW BECKENHAM STATION FOR THE 12.28 TRAIN TO LONDON CHARING CROSS, OR MEET AT CHARING CROSS AT 1.00 PM.

We will then take the Underground to Lambeth North.

Please text Mavis at 07904 812350 or email alagar@pobroadband.co.uk

300 CLUB

A huge thank you to all who have responded to the call for more members of the **300 Club**. Since the pulpit appeal by the new organiser Isabelle Blake-James at the beginning of September we have gone from 162 members to 213. This is a great response and now that we are once again a 200 Club, maybe we could push a little harder and reach our goal of once again being a **300 Club!**

Living Well
Bromley

Next weekend we will be collecting for **Living Well**. They are very short of stock and are spending a considerable amount each week to fill the bags they give out.

They don't have a QR code so please use this link if you wish to donate direct to them:

FORMATION DAY FOR EXTRAORDINARY MINISTERS AND LECTORS

Details of the dates and times for these days are on the back page, but I omitted to tell you that you need to register through the Office.

Please send an email with Formation Day as the subject and giving your name and which venue you wish to attend. Please do this by 2 October.

We are fortunate to have a parish Walking Group. This enables people to value and learn more about God's world, which we are celebrating this month in the Season of Creation. One of its members, Michael Elmer, has kindly passed on some information about the yew trees near the church door, which we share with you here.

The yew tree has been linked to sacred sites in this country for centuries. St Gregory the Great told St Augustine not to shun certain places of worship, but to Christianise them, so many churches were built beside ancient yews, hence their association with immortality and the divine. However yews can be dangerous and must be treated with respect - the fleshy berry, known as the aril, contains poisonous seeds, so please don't let children touch the berries. The poisonous properties are now being put to use in anti-cancer drugs. So the yew is a symbol of eternal life, provider of longbows in earlier times and now of life-saving drugs, but be careful!
