## MOMENTS OF CONSOLATION

Dear friends in Christ. Our world today is filled with so many activities, that it becomes very difficult to know and choose the right things. There are so many voices calling us in the world. Some of those voices are very loud, louder than the gentle voice of the master. We hear for instance from social media, voices of war, hate, greed, oppression, segregation, to mention but a few. All those voices make life either difficult, or for some, meaningless. At such moments, we need something to direct us and to support our spiritual life. One such pillar is Spiritual Consolation, which each one of us could hang on.

Spiritual consolation means finding comfort, peace, relief from distress through spiritual practices; offering an inner refuge from life's hardships. This can be found in prayer, meditation, nature, faith or religious teachings. Just at the right time, if we are wholeheartedly seeking God every day, we will find that we receive a moment of consolation. It may be an unexpected peace or joy, we may feel enlightened and encouraged, or we may just sense the presence of God in our lives. Whatever the case may be, remember the moments of consolation you receive. They will not accompany us every day, but they are given at certain moments to remind us God is with us. Remember those moments, especially when you struggle!

Reflect, today, upon the last moment you experienced some grace or consolation from God. What was He telling you through that experience? Ponder it, sit with it, be grateful for it and remember it. Let God speak to you through those experiences and never forget what He says, and you can say the short prayer below:

Lord, I thank You for loving me with a perfect love. I thank You for coming to me in the moments I need You the most. Help me to always savour those moments and to remember them when life is difficult. Jesus, I trust in You.

Fr Boniface Arapa

## ST MARY'S ALLOTMENT PROJECT - WAITROSE GREEN TOKENS

Waitrose Beckenham has selected St Mary's as one its community matters charities. The amount of money the school receives will depend on how many tokens it gets compared to the other two charities with first place receiving £1,500!

If you shop at Waitrose please consider voting for St Mary's and their allotment project.

- Collect your green token(s) at the checkout (they're in a pot at the self checkouts so help yourself!)
- Pop the green token in the St Mary's container as you exit the store

Our school allotment is one of the children's favourite places to learn. It's where they get their hands dirty, grow real food and discover that carrots don't come from a supermarket shelf. Children proudly harvest fruit and vegetables, taste what they've grown and learn the value of fresh, healthy food. We've even sold a small amount of produce, giving children a taste of how growing food can support others.

With funding from the Waitrose Green Coin Community Matters Project, we will buy seeds, plants, flowers, compost, child-sized tools and gloves, along with equipment to grow seedlings and pots. This will help us support children to grow, harvest and understand their own food. If we get first place then we'll also invest some money in our nature trail.

## ST EDMUND'S BEREAVEMENT SUPPORT

When someone we love dies, it's natural to want to talk, share memories and reflect on our loss. Family and friends may offer comfort, but sometimes those around us may not fully understand what we're going through.

The **St Edmund's Bereavement Support Group** is a kind, safe, and understanding space for those grieving. In a warm and welcoming environment, parishioners can meet others experiencing loss, share their feelings, and talk about practical challenges that can feel overwhelming. There is no pressure to speak – simply being among others can bring reassurance. For those who wish to share, there is always a listening ear. This supportive group is open to all, regardless of faith. We run three groups a year, meeting weekly for six weeks. A lovely quality of this group is the genuine friendship and mutual support that often grows among those who come together through shared loss.

If you would like to know more, please take a leaflet from the shelf near the Anniversary Book at the back of the Church, or email: [beckenhambsq@rcaos.org.uk](mailto:beckenhambsq@rcaos.org.uk)

Isobel will be hard to replace, but if you are interested in taking on this role please send an email to Fr Steve at [stephenwymer@rcaos.org.uk](mailto:stephenwymer@rcaos.org.uk)

## RECONCILIATION

Christ entrusted the Church with a profound gift of healing through the Sacrament of Penance and Reconciliation. This sacrament restores our relationship with God and the Church, strengthens our conscience, and reminds us that 'In him we live and move and have our being' (Acts 17:28).

It invites us not only to receive mercy but to share it, echoing St Francis of Assisi's wisdom that 'It is in pardoning that we are pardoned.' We encourage our parishioners to make use of this important sacrament, which is an encounter with God's loving mercy.

Confessions are every Saturday from 10.30 – 11.00 am and 5.00 – 5.55 pm, and usually during Adoration
